

Tim Conners Benefit

Saturday August 21st

12:00 - 6:00

Lakeview Lanes Bowling Center, Fulton

For More Information Call Jeff Waldron @ 806-3123

On Saturday, April 3rd Tim was admitted to Upstate Golisano Children's Hospital. He was diagnosed with Leukemia. After three months of chemotherapy, it was determined that the treatments were unsuccessful and he will need a bone marrow transplant. The benefit will help support the family, as they will need to travel for an extended period of time for his transplant.
